Operating Temperature (°C):  
-10 to 50

Operating Voltage (V):  
5

Output Power (mW):  
100

|                                                                                                                                                                                                                                             |
